

Pride of Nation Award 2025 (16th December 2025)

Malaviya National Institute of Technology Jaipur has been honoured with the prestigious “Premier National Institution Honor” under the category of Top 9 Centrally Funded Institutions/Universities in India at the Pride of Nation Award Ceremony 2025. The award was presented by Veterans India in collaboration with All India Council for Technical Education, National Board of Accreditation, Association of Indian Universities, and Education Promotion Society for India.

The ceremony was held on 16th December 2025 at the NDMC Convention Centre. Representing the institute, Prof. N. P. Padhy, Dr. Anup Malik, and Dr. Sunanda Sinha attended the event and received the honour.

This recognition highlights MNIT Jaipur’s excellence in academics, research, and institutional development, reaffirming its position among the leading centrally funded institutions in the country.

The Government Achievements & Schemes Expo 2025 (21st to 25th June 2025)

The Government Achievements & Schemes Expo 2025, held at Pragati Maidan from 21st to 25th June 2025, served as a significant platform to showcase key government initiatives and developmental programs. The event brought together various government agencies, public sector undertakings (PSUs), and ministries to promote awareness about ongoing efforts in sectors such as healthcare, education, agriculture, rural development, financial inclusion, and digital governance.

The expo featured interactive booths, live demonstrations, and digital presentations, enabling visitors to gain insights into the implementation and impact of these schemes across the country.

Dr. Amit M. Joshi represented MNIT Jaipur at the event, where he presented a working prototype of iGLU – an intelligent glucometer designed to measure blood glucose levels in a non-invasive manner. The innovation received positive feedback from delegates and attendees. Additionally, Dr. Joshi showcased a poster on the MNIT Innovation and Incubation Centre, highlighting the institute’s initiatives in fostering startups and supporting entrepreneurial activities on campus.
